There is no precedent in the Office - What all may the DAO must be able to find out But it is learnt from the Comptroller's Office that the Permanent Advance Bills were being passed by that Office on the receiving certificates required by Article 559 being inserted therein & that such a certificate not having been given in the Advance Bill by the Office it was given room for objection The Instruction is clear & no certificate of the kind is necessary any more - Orders obtained

to upon the order

Secy

If this rule is covered this may be noted

14/1/1901

This should not be referred that article 5-5-8 has been erroneously referred to instead of article 5-5-8. Have there been no precedents & in no way has the Comptroller objected for the first time now? Refer to precedents & other particulars

15/1/07

within the definition of article 14 is borne by Government and who in addition to such travelling expenses is allowed a daily batta of Rs 10 under Appendix 2 page 185 of the Mysore Service Regns.
